Aside from reported details about 2024's Call of Duty campaign and multiplayer, it has also been reported that the game will feature its own Zombies mode. While Zombies has been a hugely successful game mode for CoD in the past, the lack of involvement from Treyarch in the upcoming title could spell disaster.

Worry not about PVP: There is a maximum of 24 players in each server, but Modern Warfare Zombies (MWZ) is a PVE-focused game mode within Call of Duty: Modern Warfare III. Work together or ignore other players entirely.
